Macomb NPCH – chartering chapter

Janice Willis moved that MAC of DST participate as a chaptering chapter of the Macomb NPHC. Brianna Vanleer seconded

Discussion:

Washington: If we participate with Macomb for NPHC, what does that mean for the Detroit Metro NPHC relationship? We are currently still active with Detroit NPHC. It is at the discretion of the chapter to be part of both. Other local chapters do participate in Detroit Metro and also their local NPHC

Lewis: Not sure how long it takes to charter, etc. This is an agreement to be on the planning end. If it does not look like it works out – gets too expensive, etc.

My MAC-nificent Sorors,

Thank you so much for the thoughtful outgoing Recording Secretary gift! (Special shout-out to the Membership Committee ♡!) I absolutely LOVE the personalized Rituals Cover and the gorgeous DIVA bookmark - both are elegant, meaningful and so perfectly "MAC"! They will remain treasured keepsakes of this season of service.

It has truly been my privilege to serve at the pleasure of the Chapter and on our Executive Committee for these past two biennia. Working alongside such dedicated, brilliant, mission-driven women has been one of the great joys of my Delta journey.

I am so proud and pleased to pass the mantle (and the "pen!") to Soror Tamara Johnson who will be phenomenal in this role and undoubtedly take MAC Recording Secretary to the "next level!" I celebrate her, and all of us as we continue to strive and attain for our beloved sisterhood. Sisterly Yours,

Soror Jacquie Adams MD '89

Welcome Back – Sorors, I pray that you have the most enjoyable summer break. It was surely a hot one. As we begin the Sorority Year, we are truly ready to introduce the V.I.P Experience to our community and to you as Members of the MACnificent Macomb Alumnae Chapter. For our community, the leadership is team is ready to conduct needs assessments to ensure we are meeting the needs of the residents. For "You" the members the leaders have reassessed our calendar to ensure Sorors have the ability to participate in chapter led events without feeling overstressed or guilty about not being able to attend, by collaborating and condensing the calendar of events.

I want to provide you with an overview how we've been working over the summer, so that you are aware of my commitment to each and every one of you.

Below are some of the events:
MAC at Work over the Summer
Visible in Service:
52nd Midwest Regional Conference

- 65 Members attended
- Presidents & Vice Presidents Workshop
- Fiscal Officers Workshop
- Annual Auditing Training Workshop

Back-to-School – It's our 4th annual event and we served the community V.I.P style. We gave away over 400 backpacks & we had 30+ Vendors that partnered with us to service the community. Thank You: Gloria Barnes – Back to School Event Chair, Yvonne Jackson – Public Service Chair – Barbara Carter – Public Service Co-Chair and all the hard-working committee members.

Round Up – This was our 6th RU and was just as impactful & successful as planned. We highlighted all committees and are excited about the engagement of current chapter meetings, the celebration of the 25

year Sorors & finally, all the Sorors who joined us to celebrate and consider MAC as their new home. Leading with Intention/United in Purpose

3 Financial Transaction Days – Our Budget & Finance Team is committed to ensuring we're being fiscally responsible with the chapter's money as well as processing disbursement and reimbursements in a timely manner, so that there are no financial hardships to the members. We also want to process dues in a timely manner so that Sorors who are retained and reclaimed are processed and have a home at MAC as soon as possible.

Leadership Retreat:

- Bonding – We participated in activities that allowed us to get to know one another more intimately.
- Chapter Operations – We reviewed our chapter structure so that we are aligned as a leadership team, and we all understand our roles and responsibilities.
- Operational Efficiency – We heard from our Past Presidents on how to be more effective in our communities and within our sisterhood. You'll hear more about the calendar review and recommendations.
    - Committee Reports are not Announcements
    - Committee's Reporting: Report to the front of the room to address the membership - Wait until the President/Presiding Officer entertains questions before returning to seat.
    - Announcements - Provide a 60 second elevator pitch for all announcements (Clear & Concise)

Goals:

- Educated Chapter – Throughout this biennium, we are committed to bringing educational moments to the chapter every month, so look forward to those tidbits.
- Membership Intake Preparation – To ensure that all members are prepared to vote for the MIT process, I recommend that we conduct the vote in October at the next chapter meeting. I encourage you all to go to the National Website and review the documents so that you understand the process and eligibility requirements for participation. The path to the documents can be found once you enter the member portal and follow this path… Grand Chapter > National Committees > Committees Tab > Scholarship & Standards > Resources (Membership Intake). The Chapter Preparation Guide & the APMI are the primary tools to review.

The review included 25% validation of disbursements/expenses, a 50% validation of receipts/deposits, and a 100% validation of membership dues/information.

A summary of the findings are as follows:

- **Disbursements/Expenses**: proper voucher documentation was used with appropriate signatures.
- **Receipts/Deposits**: detailed receipts register maintained with appropriate number of days between receipt and deposit of funds.
- **Membership Dues**: verified and in alignment with procedures.
- The chapter has fiscal policies and procedures which detail the financial operations of the chapter, noting that as chapter operations continue to develop, updates to the chapter's Policies & Procedures will be made.

Calculations have been reconciled and bank balances as of June 30, 2026, are accurately reflected in the financial records.

The next quarterly period for audit review will be July 1- September 30, 2026.

Respectfully submitted,
Soror Tamara Moorer, Chair, Internal Audit
